

*The Journal of the British Society of Gastroenterology*

**Contents** Vol. 13, No. 11, November 1972

Faecal ammonia and pH during lactulose administration in man: comparison with other cathartics L. AGOSTINI, P. F. DOWN, J. MURISON, AND O. M. WRONG.....	page 859	Enterokinase in normal intestinal biopsies and those from patients with untreated coeliac disease J. F. WOODLEY AND ROSALEEN KEANE .....	page 900
Disappointment with triethers as markers for measuring triglyceride absorption in man D. R. SAUNDERS, T. K. O'BRIEN, AND KENT SMITH .....	page 867	Reaginic hypersensitivity in ulcerative colitis D. P. JEWELL AND S. C. TRUELOVE....	page 903
Changes in glucose tolerance and serum insulin following partial gastrectomy and intestinal resection S. WAPNICK AND J. J. JONES .....	page 871	Immunosuppressive activity in patients with active chronic hepatitis and primary biliary cirrhosis treated with azathioprine GREGORY WHELAN AND SHEILA SHERLOCK..	page 907
The effect of vagotomy on gastric adaptation D. C. CARTER, H. N. WHITFIELD, AND I. B. MACLEOD .....	page 874	The homeostatic function of the colon in acute gastroenteritis R. D. RUBENS AND H. P. LAMBERT .....	page 915
The absorption and secretion of water and electrolytes across the healthy and the diseased human colonic mucosa measured <i>in vitro</i> E. Q. ARCHAMPONG, J. HARRIS, AND C. G. CLARK .....	page 880	Effects of phenobarbital and rose bengal on the ATPases of plasma membranes of rat and rabbit liver Y. LAPERCHE, A. LAUNAY, P. OUDÉA, A. DOULIN, AND J. BARAUD ..	page 920
Plasma gastrin and acid secretion in man following stimulation by food, meat extract, and insulin J. H. WYLLIE, P. B. BOULOS, M. R. LEWIN, B. H. STAGG, AND C. G. CLARK	page 887	<i>Progress report</i> Alkaline phosphatase T. W. WARNES.....	page 926
The effect of retaining antral innervation on the reductions of gastric acid and pepsin secretion after vagotomy R. J. CLARKE, R. N. ALLAN, AND J. ALEXANDER-WILLIAMS .....	page 894	<i>Progress report</i> Intestinal malabsorption in the experimental animal J. W. L. ROBINSON .....	page 938
		<i>Notes and activities</i> .....	page 946
