

The Journal of the British Society of Gastroenterology

Contents Vol. 13, No. 6, June 1972

- Lithogenic bile in patients with ileal dysfunction R. HERMON DOWLING, G. DUNCAN BELL, AND JUNE WHITE..... *page* 415
- Renal blood flow in malignant disease of the liver M. C. KEW, CAROL A. LIMBRICK, R. R. VARMA, AND SHEILA SHERLOCK..... *page* 421
- Cell-mediated immune reactivity in liver disease P. A. BACON, H. BERRY, AND R. BOWN..... *page* 427
- Two cases of Whipple's disease showing clinical and morphological similarity H. OLIVA, C. GONZÁLEZ CAMPOS, V. NAVARRO, AND H. H. MOGENA..... *page* 430
- Human leucocyte antigens in Crohn's disease and ulcerative colitis M. H. GLEESON, J. S. WALKER, J. WENTZEL, J. A. CHAPMAN, AND R. HARRIS..... *page* 438
- Clinical, microbiological, and immunological studies in patients with immunoglobulin deficiencies and gastrointestinal disorders W. R. BROWN, D. BUTTERFIELD, D. SAVAGE, AND T. TADA..... *page* 441
- Bacterial agglutination studies with secretory IgA prepared from human gastrointestinal secretions and colostrum D. B. L. MCCLELLAND, R. R. SAMSON, D. M. PARKIN, AND D. J. C. SHEARMAN..... *page* 450
- Clinical trial of a new carbenoxolone analogue (BX24), zinc sulphate, and vitamin A in the treatment of gastric ulcer P. M. FRASER, RICHARD DOLL, M. J. S. LANGMAN, J. J. MISIEWICZ, AND H. H. SHAWDON..... *page* 459
- Intraluminal force transducer measurements of human oesophageal peristalsis C. E. POPE II AND P. F. HORTON..... *page* 464
- Hormone-elicited enzyme release by the small intestinal wall H. GÖTZE, J. W. ADELSON, H. B. HADORN, R. PORTMANN, AND V. TROESCH..... *page* 471
- Stimulatory effect of pancreozymin-cholecystokinin on calcium secretion in pancreatic juice of dogs H. GOEBELL, Ch. STEFFEN, AND Ch. BODE..... *page* 477
- Progress report* The demonstration and function of antibodies in the gastrointestinal tract D. J. C. SHEARMAN, D. M. PARKIN, AND D. B. L. MCCLELLAND..... *page* 483
- Notes and activities*..... *page* 500
