SHIRLEY MCGEALEY
(Technical Editor)

Gut publishes original papers and reviews concerned with practice and research in the field of gastroenterology. The field is that of alimentary, hepatic, or pancreatic disease, and papers may cover the medical, surgical, radiological, or historical aspects. They may also deal with the basic sciences concerned with the alimentary tract, including experimental work. A case report will be accepted only if it deals with a clinical problem which has been studied in detail and the resulting data provide material for further research. Letters dealing with matters arising from articles published in *Gut*, or with topics of general professional interest are encouraged, but the correspondence column should not be used for publication of original data.

COMMUNICATIONS Two copies of papers and figures should be addressed to the Editor, *Gut*, BMA House, Tavistock Square, London WC1H 9JR. Papers are accepted only on the written understanding, signed by all authors, that they are not published elsewhere without previous sanction of the Editorial Committee, and that all authors agree to publication in *Gut*. Manuscripts should follow the Vancouver conventions (see *Br Med J* 1979; 1: 532-5. *Gut* 1979; 20: 651-2). They should be in double-spaced typewriting on one side of the paper only. On the paper the name of the author should appear with initials (or distinguishing first name) only, and the name and address of the hospital or laboratory where the work was performed. A short summary should be provided at the beginning of the paper.

ACKNOWLEDGEMENT OF MANUSCRIPTS Manuscripts will not be acknowledged unless a stamped addressed postcard or international reply coupon is enclosed.

ILLUSTRATIONS *Photographs* Unmounted photographs on glossy paper should be provided. *Diagrams* These will usually be reduced to 2½ in wide. Lettering should be in either Letraset or stencil, and care should be taken that lettering and symbols are of comparable size. Illustrations should not be inserted in the text, they should be marked on the back with Figure numbers, title of paper, and name of author. All photographs, graphs, and diagrams should be referred to as Figures and should be numbered consecutively in the text in Arabic numerals. The legends for illustrations should be typed on a separate sheet. *Tables* Tables should be numbered consecutively in the text in Arabic numerals and each typed on a separate sheet.

ETHICS Ethical considerations will be taken into account in the assessment of papers (see the Medical Research Council's publications on the ethics of human experimentation, and the World Medical Association's code of ethics, known as the Declaration of Helsinki (see *Br Med J* 1964; 2:177)).

SI UNITS All measurements except blood pressure are expressed in SI units. In the text they should be followed

by traditional units in parentheses. In tables and illustrations value are given in SI units, but a conversion factor must be supplied. For general guidance on the International System of Units and some useful conversion factors, see *The SI for the Health Professions* (WHO, 1977). **NB: Such conversion is the responsibility of the author.**

REFERENCES These follow the Vancouver system - that is, references numbered consecutively in the text and listed numerically with titles abbreviated in the style of *Index Medicus, Standard journal article* - (list all authors when six or less; when seven or more, list first three and add *et al*): James A, Joyce B, Harvey T. Effect of long-term cimetidine. *Gut* 1979; 20: 123-4. **NB: Accurate punctuation is essential.**

CORRECTIONS other than printers' errors may be charged to the author.

REPRINTS Twenty-five reprints will be supplied free of charge. Further reprints will be available on payment of the necessary costs; the number of reprints required should be sent to the Publishing Manager on the form provided with the proof.

NOTICE TO ADVERTISERS Application for advertisement space and for rates should be addressed to the Advertisement Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR.

NOTICE TO SUBSCRIBERS *Gut* is published monthly. The annual subscription rates are £77.00 inland and £89.00 overseas (including the USA). Orders should be sent to The Subscription Manager, *Gut*, BMA House, Tavistock Square, London WC1H 9JR. Orders can also be placed with any leading subscription agent or bookseller. (For the convenience of readers in the USA subscription orders, with or without payment, can also be sent to: *British Medical Journal*, Box 560B, Kennebunkport, Maine 04046. All enquiries, however, must be addressed to the Publisher in London.) All enquiries regarding air mail rates and single copies already published should be addressed to the Publisher in London.

INTERNATIONAL PERIMETRIC SOCIETY

**THE SEVENTH INTERNATIONAL VISUAL FIELD SYMPOSIUM OF
THE INTERNATIONAL PERIMETRIC SOCIETY
will be held in Amsterdam September 7-10, 1986**

The meeting will cover all aspects of perimetric research with special emphasis on:

Definition of change and rate of change of glaucomatous field defects.

The influence of media opacities on the visual field.

The numerical representation of the functional visual field.

Fundus perimetry.

The meeting is open both to members of the International Perimetric Society and to non-members. The meeting language is English and posters as well as papers will be presented. All contributions will be published.

In addition to the scientific sessions, a social programme including several excursions has been planned.

Registration fee: US\$100.00 for members; US\$125.00 for non-members.

Location: The Amstel Hotel, Professor Tulp plein 1, 1018 GX Amsterdam.

For registration and meeting information contact:

Erik L. Greve, M.D., Eye Clinic of the University of Amsterdam, Academic Medical Center, Meibergdreef 9, 1105 AZ Amsterdam, The Netherlands (Phone: 020-566 3616).

Enquiries regarding submission of abstracts (deadline: April 15th, 1986) and applications for membership should be sent to:

Anders Heijl, M.D., Secretary of the International Perimetric Society, Department of Ophthalmology, The University of Lund, Malmö General Hospital, S-21401 Malmö, Sweden (Phone: 040-333562/331352).

9th World Congress

of the

Collegium Internationale Chirurgiae Digestivae

Jerusalem, Israel

August 31 – September 1986

We wish to announce that this important Congress is being held in JERUSALEM, ISRAEL, offering an exciting scientific, cultural, religious and touristic experience second to none. The Scientific Programme has been planned once again in the best tradition of C.I.C.D. updating all areas of gastro-intestinal surgery and surgical gastro-intestinal research to especially cover topics not included in previous Congresses.

Combine attending this meeting with a tour of this fascinating country and visit such places as: BETHLEHEM; OLD CITY JERUSALEM; NAZARETH; SEA OF GALILEE; CAESAREA; MASSADA and the DEAD SEA!
